TIME TO BE CURIOUS

Mathematics/Understanding the World

Learn about shapes together with this simple activity from 'Hands on as we Grow', using sticky tape, balls, cars and bean bags - or whatever you've got to hand!

TIME TO MAKE AND CREATE

Expressive Arts & Design

Painting with tea bags - yes, tea bags! They may not produce any masterpieces but your toddler will love this sensory, messy art activity

TIME TO BE HELPFUL AND KIND

Personal, Social & Emotional Development

Matching socks: Children love to be helpful, especially if this can be made into a game. In this activity children of different ages can begin to learn how to help with the laundry. Ask them to help you unload the washing machine and find all the socks, ready for matching...
